1. Chapter 1

The Spartan Immortal

They fought millennia ago.

With speak and shield,

Through flesh and bone.

Again they fight,

Their valor unknown.

Now with gun and hammer of Thor,

They can fight and die once more.

Hence they will be born again,

For Spartans never die.

2. Authors note

Thank you all for reading!

For my first try at poetry this was pretty well received.

Thank you!
